ROLE OF THE PARENT

- Let the coach do the coaching; giving "extra" information/coaching may go against what is being taught and may confuse your child.

- Remember that the coach has not only your child, but the entire team in mind when making decisions.
- Encourage players to resolve any issues/questions with coach directly.

ATTIRE

- Appropriate t-shirt and shorts for "clinic" sessions and practices, if scheduled.
- Sneakers with appropriate ankle support.
- No jewelry, including earrings, shall be worn by any player, except for medical alert identification, which shall be secured with athletic tape so that no sharp edges are exposed while still leaving the medical alert visible.

ABSENCES

Please notify the coach if your child is unable to attend any practice or game. This courtesy is important to the coach's planning and ability to lead the team.

INJURIES

- Injuries should be reported to the coach immediately. If you take medication or have prior injuries, let the coach know.
- To maintain a safe playing area, all players are to adhere to the following **BLOOD RULE**: Any player who is bleeding must be substituted for until the bleeding stops. Any game official, coach, or program staff member has the authority to remove the player. Any and all blood soiled clothing must be changed before a player is allowed to return to the game or practice. Re-entry of the player must be approved by program staff.
- At the discretion of the program coordinator, 911 will be called for any head injuries or injuries determined to be of a serious nature. Parents/guardians are responsible for all medical expenses.

ALL EQUIPMENT WILL BE PROVIDED

NO PERSONAL BASKETBALLS OR TOYS/EQUIPMENT ALLOWED

COMMUNICATION

24 HOUR RULE: Parents sometimes disagree with a coach's decision, coaching style, officials' decisions or game rules. Parents have to understand that the coach represents the entire team, not only one player, and must make decisions from the team perspective first and foremost. For parents, it is important to separate their child's sports development from game emotions. For this reason, we have adopted the "24 HOUR RULE", which simply states that the coach/staff will not discuss game situations until 24 hours after the game has passed. This rule helps to move the discussion away from the presence of the players and allows all parties to have time to put things in perspective and "cool off" if necessary.

To help keep communication smooth and productive, there is a certain line of communication that we ask everyone to follow:

- 1) Parents should first contact the coach with questions/concerns, then, if necessary, the Pomperaug Basketball Community League Director;
- 2) Coaches should first contact the Program Coordinator with questions/concerns; and
- 3) If further assistance is needed, then contact the Parks & Recreation Director.

MISCELLANEOUS

- Controlled Substances: Tobacco and/or alcohol use in or around any school building is prohibited.
- Refunds: All refund requests must be submitted by filling out the Refund Request Form to the Parks & Recreation Director, Michael E. Ganem, for consideration by the Parks & Recreation Director.
- Cell Phones: Cell phones will be turned off or put on mute/vibrate before a practice or game begins. Players are not to be using their phones while they are watching the game, unless it is an emergency. Keep this distraction away from the TEAM.
Weather Policy: If school is canceled for inclement weather, practices for that day are also canceled. Updates will be posted on Facebook: Pomperaug Basketball Community@PomperaugBasketballCommunity
